Title: Material change Valves 55123446 and 5512999

With this service memo I would like to inform you about a (maybe) temporary material change of 2 valves:

- 55123446 SOLENOID VALVE PPSU 2/2 24V DC 2.5
- 55122999 SOLENOID VALVE PPSU 2/2 21V DC 2.5

Schaerer mentioned that the change is implemented by their supplier in Q1 2025.

In the picture below you can see that 1 part is now transparent. Old is PPSU and new is PESU which is more challenging to open if needed.

Spare part numbers will not change.
