

Range H&C - HO.RE.CA.	Model KREA ES/FB - 9100	N° T.I. 02_2016
Serial Number 60211125	Subject Z4000 ES/FB Upper piston O-Ring housing modification	N° Claim -

With the aim to improve our equipment, starting from S/N **60211125**, the *Z4000 ES/FB top piston O-Ring housing* has been modified.

Modification: the *OR housing retaining side* has been increased of 1.4mm (moving from $\varnothing 3,8$ mm to $\varnothing 5,2$ mm - see picture below).

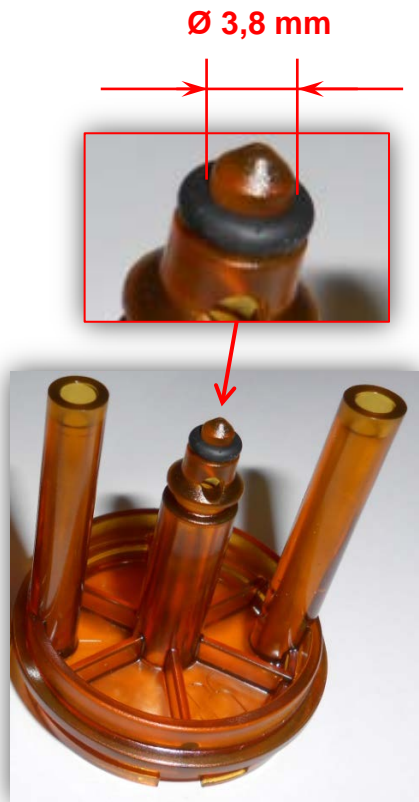

The new housing shape guarantees a better OR stability preventing untimely wear and possible malfunctioning.

New Z4000 ES/FB Upper Piston

The **new** upper piston spare code is: **260204**

Pre-modification Z4000 ES/FB Upper Piston

The **pre-modification** upper piston spare code is: **256750**
It is no longer available
