

TECHNICAL INFORMATION JDE

N&W

Type Coffee Vending Machine	Model ES PREMIO code 971676	T.I. NO 14 - 2015		
Serial Number 50611631 (NL)	Subject LED Capacity keyboard improvement	ISSUED FOR iT-00104	Action Information	X

REASON

The hot water LED on the capacity keyboard failed frequently.
After To improve the reliability:
Without changing the machine functionality the keyboard was improved lighting performance during the drink selection process.

MODIFICATIONS:

Starting from the feedback received by the market, in order to guarantee the higher reliability level, it has been implemented in production only a **LED supplier brand**, according with the technical specification required for the machine's keyboard. It's not possible to recognize in the field the new LED due to the micro-structure: it is guaranteed from N&W production, starting from the Serial Number above mentioned.

Machines concerned by this modification from S/N: **50611631 (NL)**

EXCHANGEABILITY:

Machine HW, FW and SW will be 100% compatibility with the previous and the next machine versions.
