Serial Number See page 2 / 2	Subject <b>NEW PISTON ASSEMBLY Z4000 ES/FB</b>	

**REASON:**

In order to improve our equipments

**MODIFICATIONS:**

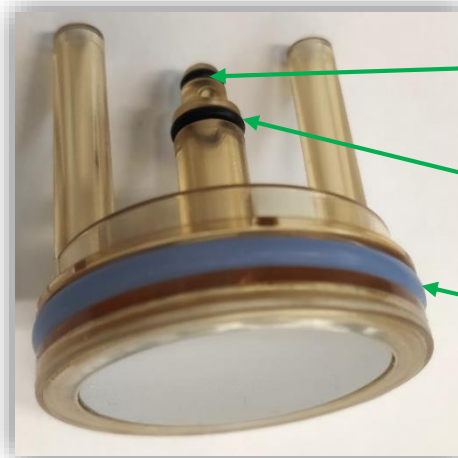

**Pre – modified ES/FB Z4000 upper piston** assembly has been replaced by **new "ESFB Z4000 welded piston assembly + three O-Rings"**.

For the **new upper piston** assembly the filter is welded to the piston.

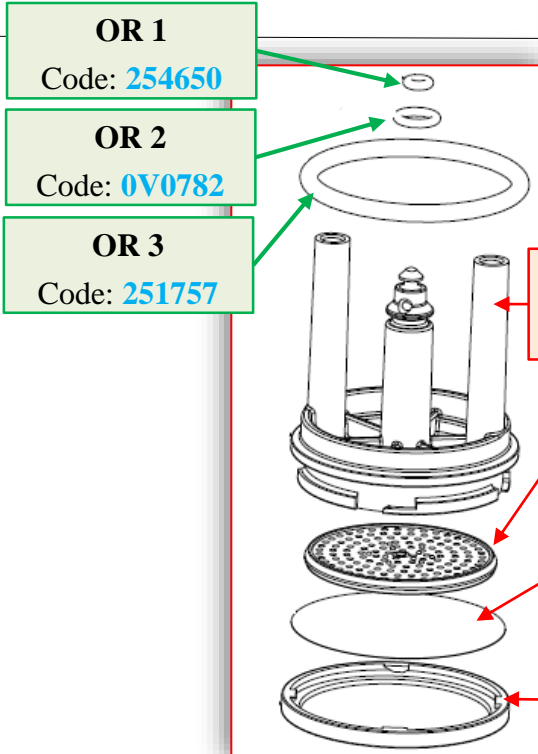

This ensures that the filter lasts for a greater number of strokes.
